Post Study Prospects in Kenya

According to the High Commission of India in Kenya the Post Study prospects in Kenya are as follows:

Prospects of extension of visas for interns/job seekers:

The students whose applications are approved by the Kenyan Educational institutions are given student visa by the Kenyan immigration authority. There is no free work visa available after completion of study. They can engage for internship or jobs by local companies who are responsible for sponsoring their application for work visa/permit to Kenyan Immigration authority. of study. They can engage for internship or jobs by local companies who are responsible for sponsoring their application for work visa/permit to Kenyan Immigration authority.

Work related opportunities for students completing their graduation:

Indian expats in skilled sectors, such as CA, Medical, Management etc are valued by the industry in Kenya but their Indian or foreign degree is preferred over Kenyan degree. Language is not a barrier.
