Post Study Prospects in Uzbekistan

According to the Embassy of India in Uzbekistan the Post Study prospects in Uzbekistan are as follows:

Visa to job seekers is extended on the basis of recommendations/job offers by the concerned companies. The visa is applied on the Uzbekistan Embassy/MoFA of Republic of Uzbekistan website <https://visa.mfa.uz/site/about>. Concerned Uzbek Embassy grant visa to individual after issuance of TELEX number from their MoFA.

So far, Indian students are studying only medicine in the Republic of Uzbekistan. There is a great demand of medical practitioners as the basic medical infrastructure is not good and is taking shape. Local doctors may not be able to cope up with the expected demand, and as the image of Indian doctors is very high so they may be at top priority for the upcoming hospitals etc. However, the remuneration/salary may not be at par with other countries where Indian doctors would like to work.
